# ABOUT AL SHAHBAA GROUP

## Welcome to Al Shahbaa Group

Al Shahbaa Group was incorporated in 2008 with good experience in managing and executing various engineering and construction works with many local companies with excellent experience and excellent reputation in the field of construction under the supervision and contracting of various international oil and construction companies.

Our cadres are classified according to their experience and responsibilities, starting with the management of the company. They are well experienced in managing the business. Engineers are classified according to their expertise in terms of concrete, concrete works, insulation work, painting, scaffolding, electrical works, mechanical works, Quality control engineers with good experience of the requirements of oil companies, providing an engineer to calculate quantities and pricing to facilitate the work of the advances on a monthly basis, supported by all the drawings and accounts required to prove the validity of the advance numbers, and thus the cadres hierarchy through the competent cadres and middle cadres Organization and trained labor.

Certainly we cannot match the major local companies known in terms of financial and moral ability and good reputation that precedes its name, but ... .. we can certainly match them with the technical aspect.

## أهلا وسهلا بك في مجموعة الشهباء للمقاولات العامة المحدودة

تأسست مجموعة الشهباء للمقاولات العامة سنة ٢٠٠٨ ونفذنا مجموعة من الاعمال الانشائية المدنية والميكانيكية والكهربائية في محافظة البصرة واصبحت لدينا خبرة في مجال ادارة وتنفيذ مختلف الاعمال الهندسية والانشائية مع مشاركة الشركات المحلية الجيدة ذات الخبرة والسمعة الممتازة في مجال الانشاءات تحت اشراف وتعاقد مختلف الشركات العالمية النفطية والانشائية.

نقدم مجموعتنا الرائدة بخبرة مؤسسيها وكوادرها الطويلة وطموحهم في تسجيل نجاحات جديدة تسجل لهم من خلال هذه الشركة ليعلو اسمها بين الشركات الرصينة.

كوادرننا تصنف حسب خبرتها ومسؤولياتها حيث تبدأ ادارة الشركة وتعتبر ذات خبرة جيدة ومشهودة بادارة الاعمال. المهندسين مصنفين حسب خبراتهم المعهودة من حيث الاختصاص باعمال الكونكريت والاعمال الترابية واعمال عزل الطلاء ونصب (الاسكالات) (حاملات العمال) واعمال الكهرباء والميكانيك ... الخ ، مهندسي السيطرة النوعية اصحاب خبرة جيدة بمتطلبات الشركات النفطية، توفير مهندس بحسب الكميات والتسعير لتسهيل عمل السلف بشكل شهري مدعوما بكافة المخططات والحسابات المطلوبة التي تثبت صحة ارقام السلف، وهكذا تتدرج سلسلة الكوادر مرورا بالمساحين الكفاء والكادر الوسيطة المجربة والعمالة المنظمة والمدربة. بالتأكيد لا نستطيع مضاهات كبرى الشركات المحلية المعروفة من ناحية القدرة المالية والمعنوية والسمعة الجيدة التي تسبق اسمها ولكن .... اكيد نستطيع مضاهاتها من الناحية الفنية.

# AUTHORIZED MANAGER'S MESSAGE

## رسالة المدير المفوض

Al Shahbaa Group is an Iraqi company, based in Basra city. It is involved in civil construction, mechanical, electrical and telecommunication works as well as general trading. The company has been classified by the Ministry of Planning and Development Corporation in Iraq as first degree company and enrolled as a member of Iraqi Federation of Chambers of Commerce. The company is located in one of the largest industrial area in Iraq where Oil Fields and the largest oil refinery in Iraq is. There is a huge petrochemical plant and biggest power plant in this area as well. This location will offer opportunities to both our company and other companies that have willed to cooperate with us in various industrial fields.

A lot of mechanical, electrical and civil construction works have been executed by our company through either direct execution or as a sub contractor. The extensive experience available in company's members in both technical branch and business administration, led and will lead to best result.

### Which Distinguishes us

- Accumulated experience and comprehensive know-how.
- Highly qualified and well trained professional team.
- Adherence to business ethics, professional values and community service oriented vision.
- Adopting best practices and highest standards in quality control systems as well as safety programs.
- International alliances and strategic business partners.
- International access to sources of business, expertise, procurement and funds.
- Systematic approach and well-thought-of operations methodology.

مجموعة الشهباء للمقاولات العامة المحدودة هي شركة عراقية مقرها في محافظة البصرة. وشاركت في العديد من الاعمال الميكانيكية والانشائية والكهربائية والاتصالات والتجهيز ومختلف الخدمات النفطية مع شركات كبيرة محلية واجنبية.

وصنفت المجموعة من قبل وزارة التخطيط والتنمية في العراق كشركة من الدرجة الخامسة وسجلت كعضو في الاتحاد العراقي لغرف التجارة.

يقع مكتبنا في محافظة البصرة وهي واحدة من أكبر المناطق الصناعية في العراق حيث توجد أكبر الحقول النفطية وأكبر مصفاة للنفط في العراق ومصنع كبير للبتروكيماويات ومحطات الطاقة مما يوفر هذا الموقع فرصاً لمجموعتنا والشركات الأخرى التي ترغب في التعاون معنا أنشطة تجارية و أعمال في مختلف المجالات الصناعية.

تم تنفيذ الكثير من أعمال الإنشاءات الميكانيكية والكهربائية والمدنية بواسطة شركتنا إما من خلال التنفيذ المباشر أو كمقاول من الباطن. الخبرة الواسعة المتاحة لأعضاء الشركة في كل من الفرع الفني وإدارة الأعمال أدت وستؤدي إلى أفضل نتيجة.

### الذي يميزنا

- الخبرة المتراكمة لدى كوادر شركتنا .
- فريق محترف مؤهل ومدرب تدريباً جيداً.
- الالتزام بأخلاقيات العمل والقيم المهنية وخدمة المجتمع و الرؤية الموجهة.
- اعتماد أفضل الممارسات وأعلى المعايير في أنظمة مراقبة الجودة وكذلك برامج السلامة.
- التحالفات الدولية والشركاء التجاريين الاستراتيجيين.
- الوصول الى مصادر المواد عالمياً واستثمار الخبرات والمشتريات والأموال.
- النهج الحديث في ادارة المشاريع على ايدي مهندسين اكفاء.

## QUALITY STATEMENT

Al Shahbaa Group, is dedicated to the quality policy that will ensure that its projects and services fully meet the requirements of its customers at all times. The goal of the company is to achieve a high level of customer satisfaction at all times. Commitment to the implementation of supporting managerial and business operational systems is essential to realizing that goal.

Al Shahbaa Group, believes in the concept of client & contractor working together in pursuing this policy and in continually striving for improvements in service quality.

The quality policy is based on 3 fundamental principles:

1. Ensuring that we fully identify and conform to the needs of our customers.
2. Looking at our service provision processes, identifying the potential for errors and taking the necessary action to eliminate them.
3. Everyone understanding how to do his job and doing it right first time.

To ensure that the policy is successfully implemented, staff will be responsible for identifying customer requirements, and ensuring that the correct procedures are followed to meet those requirements.

Objectives needed to ensure that the requirements of this policy are met and that continual improvement is maintained in line with the spirit of the policy, will be set, determined and monitored at Management Review.

The quality policy principles and objectives will be communicated and available to staff at all times. Training will be an integral part of the strategy to achieve the objectives.

Within this Policy we are committed to operating our Company under the disciplines and control of a Quality Management System conforming to the International Standard 1S9001:2000 0, planned and developed jointly with our other management functions.

We are all committed to operating continuously to this standard and we will maintain the necessary Quality Approvals consistent with our customer requirements.

Our Company will constantly review and improve on our services to ensure tasks are completed in the most cost effective and timely manner for the benefit of all our customers.

We shall ensure that all our personnel understand and fully implement our Company's policies and objectives and are able to perform their duties effectively through an ongoing training and development program.

*Director General*

## SECURITY, SAFETY, HEALTH & ENVIRONMENTAL (HSSE) POLICY

Profile has 4 main goals in the area of Safety, Security, Health and the Environment (HSSE):

- To meet all legislative requirements (including the Health and Safety at work and the Management of Health and Safety at work Regulations including the Environmental Protection act ) and implement best practice in the areas of Safety, Security, Health and the Environment.

- To ensure that all our services and business practices are conducted in a manner that is safe, secure and mindful of protecting the environment.

- Ensure that adequate funds, materials and equipment are made available to meet the health and safety requirements of the Company.

- To maintain an effective HSSE Management System that is compliant with the ISO18001 & 14001 quality standards.

To ensure the company delivers against these goals, Profile has set out the following objectives:

- To recognize potential security, safety, health and environmental hazards.

- To adequately and appropriately manage security, safety, health and environmental risks arising from our work activities.

- To consult with our employees on matters affecting their security, health and safety.

- To consult with our employees on matters affecting the environment.

- To provide and maintain safe plant and equipment.

- To ensure safe handling and use of substances.

- To ensure that all employees are competent to do their tasks and to give them sufficient training.

- To prevent accidents and cases of work-related ill health.

- To maintain secure, safe and healthy working conditions.

- To consider sustainability and environmental factors in all of our business decisions.

- To minimize waste.

- To minimize the consumption of energy and other resources.

- To use materials obtained from sustainable sources (wherever possible).

- To promote sustainability through office and transportation activities.

- To communicate our HSSE Policy and commitments to our people and our clients.

- To encourage continuous improvement across HSSE.

- To provide the necessary resources for the effective operation of the processes.

The Policy will be reviewed annually or in line with any legislative or organizational change

*Director General*

# ENVIRONMENT SAVE

Our Company quality objectives are to complete projects in accordance with the agreed programme, specification and cost, to the highest standards of quality and efficiency whilst ensuring that statutory and regulatory requirements are complied with and client expectations are met.

Our Company is fully committed to the Quality Management System and its continued improvement, and has assigned responsibility in this regard to the Managing Personnel, whose duties include ensuring that Management Review meetings are held at regular inter-

vals to review the system's effective operation and development.

The Company's Quality Management System conforms to the requirements of ISO. It is subject to regular examination and assessment by an independent certification authority, which ensures a process of constant evaluation and improvement. Our Company also conforms to Environment Management System (ISO) and Health & Safety Management System (OHSAS). This benefits our Clients and how we conduct our business, while enhancing the standing of Our Company in the construction industry.

## ENSURING THE SAFETY OF EVERY EMPLOYEE

Our Company first duty is to ensure the occupational health and safety of its employees. Company's objective is to achieve zero accidents at our worksites and corporate sites. This objective applies to Our Company employees, temporary employees and subcontractor employees alike. Safety training is provided to all company employees, which help to ensure that every employee becomes actively involved in preventing accidents in his or her day-to-day behaviour. Management at all levels is closely involved in overseeing, implementing and monitoring safety policies.

## ENSURING EQUAL OPPORTUNITIES FOR ALL

Our Company upholds the principle of prohibiting discrimination on any grounds in hiring and labour relations. Human resource administration and, more broadly, employee relations are based on the principles of mutual trust and respect to ensure that everyone is treated with dignity. Above and beyond their role in fostering upward mobility, Our Company apply a proactive equal opportunities management policy focused in particular on gender equality and employment of the disabled, people of immigrant background and seniors.

## REDUCING THE IMPACT OF OUR ACTIVITIES

In both construction and operation activities, Our Company strives to meet the highest environmental standards with respect to conservation of natural resources, energy consumption, waste management and biodiversity protection. The deployment of environmental management systems to supplement quality management systems promotes continuous development in this area.

# ISO CERTIFICATES

Our Health, Safety, and Environment Management System (ISO) is a systematic approach to achieve our HSE goals, objectives, and targets, and managing the HSE risks associated with our business. We are committed to protect the health & safety of our employees, our subcontractor employees and other person affected by our business activities. This process assures continual improvement in our HSE performances. It concentrates mainly on

- Leadership & commitment

- Policy & Strategic Objectives
- Organization, Responsibility, Resources, Standards & Documents
- Hazards & Effect Management Process
- Planning & Procedures
- Implementation, Monitoring & Corrective Actions
- Audits & Inspections
- Review of HSEMS
